

National Iron Bank Website Privacy Notice

National Iron Bank respects the personal and financial privacy of all customers and other visitors who use our website and we are committed to protecting this information. We value your trust and handle all personal information with care. As with information we collect through other means, we use the information you provide online to respond to your needs, service your accounts, and provide you with information about other services.

Secure Transmissions

To ensure information remains confidential, National Iron Bank uses encryption technology such as Secure Socket Layer (SSL) to protect information you enter and submit from our website.

E-mail Security

Regular Internet E-mail is not secure. You should never provide information that is sensitive or confidential such as your social security number, account number, or PIN through unsecured E-mail. We ask that you do not send personal or account information through regular E-mail.

Cookies

A cookie is a small piece of information that a website stores directly on the computer you are using. Cookies may contain a variety of information from a simple count of how often you visit a website to information which allows customization of a website for your use. National Iron Bank uses cookies to gather data about the usage of our website and to ensure that you have access to your account information. Anytime a cookie is used, personal information is encrypted for our use (a cookie cannot be read by a website other than the one that sets the cookie).

When visitors come to our website, National Iron Bank or our advertising partners may place cookies (small text files stored in the web browser's cache) on the visitors' internet browsers for targeted advertising purposes. This may include cookie identifiers, tracking pixels and related technologies. Cookies are not programs and cannot harm your computer. Should you wish to opt out of receiving targeted ads, please visit www.networkadvertising.org/choices to opt out or learn more.

Third Party Links

To provide you with easy access to information, National Iron Bank may provide links to other websites such as mortgage companies, insurance companies, or government agencies. These links are provided as a convenience to our customers. We do not guarantee or endorse any of the content in these links and National Iron Bank does not represent either the third party or the member if the two enter into a transaction. The privacy and security policies on these linked websites may differ from those practiced by National Iron Bank. We encourage you to read the privacy policies of all websites you visit, especially before providing any personal non-public information.
